

## **CODART invites HNA members to join the CODART*focus* Mechelen**

On 22 and 23 May 2018 CODART, the international network for curators of Dutch and Flemish art, and the Museum Hof van Busleyden organize a CODART*focus* meeting in Mechelen. This date gives the unique opportunity to combine the CODART event with the international HNA conference, which starts in Ghent on 24 May 2018.

In the course of two days the museum's curators will take us for a peek behind the scenes of the then just reopened Museum Hof van Busleyden. Special attention will be given to the remarkable Besloten Hofjes (see [this brochure](#) for more information). Additionally, we will be able to see the exhibition *Call for Justice. Art and Law in the Burgundian Low Countries* privately. Exclusive visits to churches, the De Wit Royal Manufacturers (tapestries), and other interesting highlights of the city will also be included in the program.

We would hereby like to inform the members of HNA that they are also welcome to register for this CODART event. We expect registration to open in March. More information about this CODART*focus* meeting will soon be available on [www.codart.nl](http://www.codart.nl). Please note that there is a limit to the number of participants we can register for this event. Registration will be handled upon a first-come, first-served basis. For questions, please feel free to contact [events@codart.nl](mailto:events@codart.nl).
